Preface to the 2014 Edition

The League of Women Voters of Montgomery County (LWVMC) is pleased to provide the Government Directory for 2014.

The League appreciates the commitment of over 300 Montgomery County citizens who are elected or appointed members of 95 boards, commissions, councils or precincts. Many serve without financial compensation.

The Directory is the result of a collaboration between Lori Dossett, executive assistant for the Montgomery County Commissioners; Brenda Tarter, executive assistant for the Crawfordsville Mayor; Terri Gadd, Crawfordsville Clerk Treasurer; Mike Davis, Montgomery County Mapping Department; Karyn Douglas, Montgomery County Elections Clerk; and Gail Pebworth and Kathy Brown, League of Women Voters of Montgomery County. Deanna Durrett, League of Women Voters, edited the 2014 Edition and takes full responsibility for errors or omissions.

Information in the Board and Commission section includes state and/or local code citations (law or ordinance). The laws and ordinances are found by searching "Indiana Code xx-xx-xx" or the City and County websites. They are the source of details about the purpose, membership, duties, and other requirements of the body. Included are contact numbers as well as the date, time, and place of regular meetings. Also included is the member's party affiliation when a balance between parties is required by law. In addition, the year in which the member's term ends is also included. The final column indicates the appointing authority or incumbent.

The 2014 edition includes zip codes and population numbers for all ten towns; frequently called numbers that are often hard to find in the phone book; a list of public and non-profit organizations that receive local public funds; city and county district maps; and elections information.
