HEALTH DEPARTMENT CONFIRMS 16 NEW CASES

CRAWFORDSVILLE, Ind. — The Montgomery County Health Department has confirmed 16 new positive cases of COVID-19, bringing the total to 75 confirmed cases since its first case was recorded. The increase in numbers may, in part, be related to increased testing.

Health department staff have launched contact investigations in connection with the 16 additional cases.

Updates and other information can be found on the Montgomery County Health Department website and social media channels. Other information is available on the Center for Disease Control and Prevention website (www.coronavirus.gov) or the Indiana State Department of Health website (www.in.gov/coronavirus).
