UPDATED: TWO DEATHS, SEVEN NEW CASES
CONFIRMED IN MONTGOMERY COUNTY

CRAWFORDSVILLE, Ind. — The Montgomery County Health Department was notified late this morning by the Indiana State Department of Health of two COVID-related deaths. No other details were provided.

The two deaths bring the total in Montgomery County to five. The MCHD previously announced today seven new cases which brings the total of lab-confirmed cases to 133 since its first case was recorded in March. Health department staff have launched contact investigations in connection with the seven additional cases.

Updates and other information can be found on the Montgomery County Health Department website and social media channels. Other information is available on the Center for Disease Control and Prevention website (www.coronavirus.gov) or the Indiana State Department of Health website (www.in.gov/coronavirus).
