READI 2.0 Memorandum of Understanding

READI 2.0 is the second round of the State's Regional Economic Acceleration and Development Initiative. The initiative will provide an additional \$500 million in grants to support projects throughout the state. The County has joined the Greater Lafayette Region for READI 2.0 since the READI 1.0 regional group known as the 180 Alliance is not a region for READI 2.0. The members of the Greater Lafayette Region include the Counties of Benton, Carroll, Fountain, Montgomery, Tippecanoe, Warren and White; the Cities of Attica, Covington, Crawfordsville, Delphi, Lafayette, Monticello and West Lafayette; Purdue University, Ivy Tech-Lafayette and Wabash College.

The attached MOU outlines the structure for the government and administration of the Greater Lafayette Region for READI 2.0. The Region will be governed by a Regional Board of Representatives (RBOR) consisting of representatives from each

participating entity as well as the CEO of Greater Lafayette Commerce. The Greater Lafayette Commerce Community and Economic Development Foundation will serve as the fiscal agent. A regional working group of representatives from the participating entities will be responsible for drafting the multi-year comprehensive strategic plan. The RBOR will elect a Chairperson, Vice Chairperson, Secretary and Treasurer. The MOU also states that administrative expenses may be funded through the State grant. Finally, the MOU identifies the CEO of the Greater Lafayette Commerce as the primary point of contact for the Board to coordinate and communicate with the State.

READI 2.0 Board Appointment

The County has joined the Greater Lafayette Region for READI 2.0.

As part of the ReadI 2.0 agreement for the Greater Lafayette Region, the Region will be governed by a Regional Board of Representatives (RBOR) with representation from each participating organization.

For the County, two representatives serve on the RBOR. The Commissioners appoint one representative who is either a member of the Board of County Commissioners or a member of the County Council. The second representative is the Economic Development Director. The duties of the Economic Development Director have been assigned to the County Administrator and therefore the County Administrator serves on the RBOR. The Commissioners will need to make the other appointment of either a County Commissioner or County Council member to serve on the RBOR.

WHEREAS, Indiana Code § 5-28-43-1 *et seq.* established the Regional Economic Acceleration and Development Initiative 2.0 (“READI 2.0”) and authorized the Indiana Economic Development Corporation (“IEDC”) to award grants and loans to support economic development and regional economic acceleration and development.

WHEREAS, the Partners wish to collaborate with one another for the benefit of the region, upon the terms set forth herein, for purposes of developing and submitting a regional development plan for potential funding under the READI 2.0 fund administered by the IEDC.

NOW, THEREFORE, in consideration of the mutual benefits and the public interest and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Partners agree as follows:

1. The Partners will identify themselves as the Greater Lafayette Region (the “Region”).
2. The Region shall be governed by a board of directors, which board shall serve as the coordinating organization for the Region and shall be known as the Regional Board of Representatives (the “RBOR”).

3. The RBOR shall be comprised of the following Directors:

- (a) A member of the County Commissioners of each participating county, or a member of the County Council of such county designated by the County Commissioners
- (b) The Mayor of each participating city, or a member of the City Council of such city designated by the Mayor
- (c) Executive Director/CEO of Carroll County Economic Development Corporation
- (d) CEO of Greater Lafayette Commerce
- (e) Fountain County Economic Development Director
- (f) Montgomery County Economic Development Director
- (g) President of White County Economic Development Organization
- (h) Executive Director, Warren County Local Economic Development Organization
- (i) Benton County Economic Development Director
- (j) Representative of Purdue University
- (k) Representative of Ivy Tech Community College Lafayette
- (l) Representative of Wabash College

4. Each Partner serves as an economic engine in its respective area of jurisdiction and influence, and recognizes and agrees that future economic development impact across a geographic region can be enhanced and multiplied when the Partners work collaboratively across the region for the benefit of all Partners and their constituents. The Partners, acting collectively as the Greater Lafayette Region, agree to take all actions necessary to comply with the requirements of the READI 2.0 statutes and policies implemented by the IEDC under Indiana Code § 5-28-43-16.

5. The RBOR shall be authorized to adopt by-laws and other rules to govern business and the conduct of meetings; provided, however, that quorum shall be no less than 50% of the Directors; and all decisions shall be subject to majority vote of those Directors in attendance (whether in person or by remote connection) at a duly noticed meeting.

6. The Partners envision that the RBOR will engage various stakeholders within the Region as part of the planning process through the establishment of a Regional Working Group to include, without limitation, local economic development officials, representatives of Ivy Tech Lafayette, Purdue University, Purdue Research Foundation, Wabash College, consultants, industry representatives, and other stakeholders identified in the planning process.

7. The Greater Lafayette Commerce Community and Economic Development Foundation, Inc. shall serve as fiscal agent for the RBOR and is hereby authorized and directed to take all steps

necessary to notify the IEDC of the identity of the Region and the RBOR as the coordinating organization for the Region.

8. The following operational and financial processes and procedures will be adopted by the RBOR:

- (a) The Regional Working Group shall oversee and coordinate drafting of the multi-year comprehensive strategic plan required by Indiana Code § 5-28-43-6 (the "Plan"). The Plan shall be approved by the RBOR before submission to the IEDC. The Regional Working Group shall establish timelines for creation and completion of the draft Plan to ensure that the RBOR has sufficient time for review and ultimate approval of the Plan.
- (b) The RBOR shall approve a regional branding strategy. The RBOR may delegate development of such strategy to the Regional Working Group, and may authorize engaging consultants to assist in development of a branding strategy.
- (c) The RBOR shall elect the following officers:
 - (i) A Chairperson, who shall chair all meetings of the RBOR, set all meetings and agendas, and take other actions as authorized by the RBOR from time to time.
 - (ii) A Vice-Chairperson, who shall assist with responsibilities of the Chairperson and act as Chairperson in absence of the Chairperson;
 - (iii) A Secretary, who shall be responsible for keeping all records of the RBOR and maintaining minutes of all RBOR meetings; and
 - (iv) A Treasurer, who shall be responsible for oversight of all financial activities of the RBOR, interface directly with the RBOR's fiscal agent, accountants, and auditors, and report to the RBOR regarding the Region's financial activities at each meeting.

Each officer shall be a Director of the RBOR. The term of each officer shall be two years. An officer may be elected to multiple consecutive terms. No two officers shall be from the same county.

- (d) RBOR Directors will continue to be invited to IEDC monthly/quarterly READI 2.0 meetings and other READI 2.0 events.
- (e) The Partners agree that administrative expenses (if any) awarded to the Region shall be prioritized to ensure compliance with fiduciary obligations of the grant recipient. After the Region is notified by the IEDC of the READI 2.0 award amount and any allocation of the funds towards qualifying administrative expenses, the Foundation and any other grant recipient shall submit a proposed budget for qualifying administrative expenses to the RBOR, which budget shall be subject to approval of the RBOR. Should there be a projected balance in the amount allocated for administrative expenses by the IEDC, members of the Regional Working Group may submit a proposed budget to the RBOR for reimbursement to their organizations for staff time and travel expenses incurred in

connection with region-wide administration efforts (for example, Regional Working Group meetings, regional branding and marketing efforts, on development of the Plan). Any unbudgeted claims for reimbursement of qualifying administrative expenses shall require approval by the RBOR before submission to the IEDC portal.

- (f) All claims for reimbursement of qualifying administrative expenses (whether budgeted or unbudgeted) shall (i) comply with all requirements set forth under the READI 2.0 grant and Indiana law, (ii) include all documentation required by IEDC for audit standards, and (iii) be verified and submitted in the form required by the IEDC.
- (g) The RBOR shall approve the use and reallocation of any previously allocated funds that were not spent for their originally intended purpose.
- (h) The Chairperson shall distribute an agenda to all RBOR Directors at least 3 days before a regularly scheduled meeting. Any Director may request that additional items be added to the Agenda.
- (i) The Secretary shall distribute minutes of all RBOR meetings not later than 14 days after the conclusion of the meeting.
- (j) Pertinent information regarding READI 2.0 efforts or regional outreach shall be distributed periodically to RBOR members and made available to each county upon request.

9. The CEO of Greater Lafayette Commerce shall be identified as the primary point of contact for the Board to coordinate and communicate with the IEDC. The CEO shall relay all pertinent communication with the IEDC to the RBOR in a timely manner, and shall be proactive in maintaining communication within the Regional Working Group.

10. The Partners will use reasonable efforts to coordinate with one another in advance of issuing any public relations communications and/or materials, including press releases, or otherwise responding to media inquiries in relation to READI 2.0. Additionally, the Partners shall not issue any press releases or materials regarding READI 2.0, or any project thereunder, without prior approval of the IEDC.

11. Each Partner represents and warrants that it has the capacity, power, and authority, under applicable law, to perform all obligations under this MOU. The Partners acknowledge that the governmental units to this MOU may require additional approvals, in appropriately noticed public meetings, to ratify the agreement set forth herein; but the signatories of such units, as identified below, represent they will use their best efforts to secure approval of the obligations set forth herein.

12. This MOU may be executed by facsimile or electronically exchanged signature pages and/or in any number of counterparts, each of which when so executed will be deemed an original, but all of which together will constitute one and the same instrument.
