

# Montgomery County Commissioners Scholarship

Wabash College established two full tuition scholarships in December of 1892. These scholarships were in recognition of a generous gift which was given to the College by the Montgomery County Board of Commissioners. Young men from Montgomery County, Indiana who plan to attend Wabash are eligible to apply for this award if there will be a scholarship available during their freshman year at Wabash. This scholarship is renewable for eight consecutive semesters provided the student remains in good standing with the College and makes normal progress towards graduation.
