FOUR NEW CASES CONFIRMED

CRAWFORDSVILLE, Ind. — The Montgomery County Health Department has confirmed four new positive cases of COVID-19, bringing the total to 114 confirmed cases since its first case was recorded.

Health department staff have launched contact investigations in connection with the four additional cases.

A confirmed case is based on lab reports from individuals who were tested. The individual status of cases and recoveries are not available at this time.

Updates and other information can be found on the Montgomery County Health Department website and social media channels. Other information is available on the Center for Disease Control and Prevention website (www.coronavirus.gov) or the Indiana State Department of Health website (www.in.gov/coronavirus).
