HEALTH DEPARTMENT CONFIRMS ONE NEW CASE

CRAWFORDSVILLE, Ind. — The Montgomery County Health Department announced today one additional confirmed case of COVID-19, bringing the total lab-confirmed cases to 274 since the first case was recorded in March.

A contact investigation by the Indiana State Department of Health is underway in connection with the new case.

Demographics related to cases are available on the Indiana State Department of Health's online dashboard at www.in.gov/coronavirus. Local demographics can be found by clicking on Montgomery County on the state map.

Updates and other information can be found on the Montgomery County Health Department website and social media channels. Other information is available on the Center for Disease Control and Prevention website (www.coronavirus.gov) or the Indiana State Department of Health website (www.in.gov/coronavirus).
