WHEREAS, the Board of Commissioners (the "Board") of Montgomery County (the "County") published a Notice of Preliminary Determination Hearings on July 14, 2021 in the *Journal Review* and *The Paper of Montgomery County* and mailed such notice to the Montgomery County Clerk and any organizations requesting such notice as provided in Indiana Code 6-1.1-20-3.1, with respect to the acquisition of an approximately 40,000 square foot renovated building to be used as a new courthouse annex, with approximately 40 offices, meeting rooms and associated amenities, including required surface parking, together with all necessary appurtenances, related improvements and equipment (the "Project"); and

WHEREAS, two preliminary determination hearings have been held in accordance with said notice and the laws of the State of Indiana; and

Multi-hazard Mitigation Plan

Wednesday, July 21, 2021 4:30 PM

From Shari Harrington, EMA Director.

Advantages of having an updated County Multi-Hazard Mitigation Plan (MHMP)

- A MHMP is a requirement of the Federal Disaster Mitigation Act of 2000.
- Communities that participate will receive a 5% discount on flood insurance premiums.
- In order for National Flood Insurance Program (NFIP) communities to be eligible for future mitigation funds, this plan has to be completed.
- This MHMP could contribute as many as 294 points toward participation in the Community Rating System (CRS)
- Safe Room reimbursements are considered when a community has an updated MHMP.
- Information in this plan will be used to write grants.

The sub-award amount is \$25,943.00. Our cost share is \$6,486.00, which we will match with mileage, time worked on the plan, and many other items that will equal to this amount. We will reach that number for sure. So the grant amount we will be asking for is \$19,943.00.

The project scope has 8 milestones, each milestone has a timeline.

Christopher Burke Engineering is who I recommend do the work. They helped with our last plan, and are familiar with our county's demographics, and hazards. Once this plan is finished, it will be graded and approved by FEMA. The grant end date is June 18, 2022.

Dear: Montgomery County Officials

It will be necessary to close SR 47 for the 1500147 – Arch Reconstruction Or Repair, On SR 47 Bridge over Conner Creek, 2.98 mi N of SR 234 as part of the above referenced Contract. INDOT and /or one of its agents will be responsible for setting and maintaining the official detour. This project is expected to begin construction August 2nd, 2021.

The mutually acceptable unofficial local detour for SR 47 is on 600 S – 200 S as shown on the attached map. The Unofficial Local Detour will be in effect during the same period as the Official Detour. The Unofficial Local Detour will not be signed as a detour. The local agency will be responsible for any additionally desired signing (i.e. weight restrictions, trail blazing, & etc.)

INDOT will set up and maintain the necessary traffic control for the official detour route or arrange with others to furnish the necessary items. Montgomery County will be responsible for signing any weight restrictions on the Unofficial Detour.

Pursuant to IC 8-23-21, INDOT agrees to reimburse Montgomery County for the cost related to damage repair on 600 S – 200 S as while it is being used as the unofficial local detour. All reimbursable work must be approved by INDOT before the initiation of any repair work. Once the District has agreed to the documented expenses for the repairs and the detour has been eliminated, INDOT and Montgomery County must execute an agreement that indicates the documented expenses.

- D&D Trash Service
- Republic Trash Service
- T&S Trash Service

Please see Cost Comparison Sheet below.

*The trash dumpster at the Courthouse is set up for a front loading truck. The area is too small for a back loader. That stipulation will need to be laid out to whomever you choose.

Montgomery County Board of Commissioners

Ordinance 2021 – 24

Adopting a Pregnancy and Childbirth Accommodation Policy

Whereas, Chapter 36 of the Montgomery County Code Book details the policies of the County; and

Whereas, Chapter 4 of the Montgomery County Employee Handbook details the employment policies of the County; and

Whereas, the Indiana General Assembly enacted House Enrolled Act 1309 which authorizes employers to provide reasonable accommodations for women with medical conditions associated with her pregnancy; and

Whereas, Montgomery County remains steadfast in its commitment to maintaining a workplace environment that affords employees the ability to perform their essential job functions safely and efficiently; and

Whereas, the Montgomery County Board of Commissioners finds that it is in the best interest of the County, and its employees, to adopt a pregnancy and childbirth accommodation policy.

Therefore, it is ordained that a new section, § 36.36, shall be added to the Montgomery County Code Book this new section will read as follows:

“§ 36.36 PREGNANCY AND CHILDBIRTH ACCOMMODATION POLICY

(A) For purposes of this policy, “pregnancy” includes pregnancy, childbirth, or related medical conditions. The County will afford reasonable accommodations to employees relating to an employee’s pregnancy to enable the employee to perform the essential functions of the employee’s job safely and efficiently unless the accommodations will cause undue hardship to the County government.

(A) An employee may file a written request for accommodations to the employee’s Department Head. Written requests should include an explanation of how the pregnancy affects the employee’s job duties and the accommodations the employee is seeking. Upon receipt of a written request, the Department Head will engage the employee in a dialogue regarding the requested accommodation and, if the requested accommodation imposes an undue hardship on the County, the possible alternative accommodations responsive to the request. The County will respond to a request for accommodation within a reasonable time. The County reserves the right to ask the employee for more information relating to the employee’s medical condition, including but not limited to, seeking documentation from a qualified professional about the employee’s related medical condition and any functional limitation it causes. The Department Head and the County Administrator will notify the employee of the County’s decision on the request.

(B) The County will not discipline, terminate or retaliate against an employee because an employee has requested or used an accommodation for the employee’s pregnancy.

(C) The County will keep confidential files documenting accommodation requests and their disposition that are separate from other personnel records.

(D) The County will not deny employment opportunities based on the need to make reasonable accommodations to known limitations related to pregnancy, childbirth, or related medical conditions of an employee.

(E) The County will not require an employee to take leave, whether paid or unpaid, if another reasonable accommodation can be provided to the known limitations related to pregnancy, childbirth, or related medical conditions of an employee.

(G) The County will not take adverse action in terms, conditions, or privileges of employment against an employee for requesting or using a reasonable accommodation to the known limitations related to pregnancy, childbirth, or related medical conditions of the employee.

(H) The purpose of this policy is to comply with applicable provisions of federal and state law regarding pregnancy accommodation. If there is a discrepancy between the federal or state law and this policy, the federal and state law controls.”

IT IS FURTHER ORDAINED that a new section, Section 4.21, is hereby added to the Montgomery County Employee Handbook, and this new section shall read as follows:

“4.21 PREGNANCY AND CHILDBIRTH ACCOMMODATION POLICY

(B) An employee may file a written request for accommodations to the employee’s Department Head. Written requests should include an explanation of how the pregnancy affects the employee’s job duties and the accommodations the employee is seeking. Upon receipt of a written request, the Department Head will engage the employee in a dialogue regarding the requested accommodation and, if the requested accommodation imposes an undue hardship on the County, the possible alternative accommodations responsive to the request. The County will respond to a request for accommodation within a reasonable time. The County reserves the right to ask the employee for more information relating to the employee’s medical condition, including but not limited to, seeking documentation from a qualified professional about the employee’s related medical condition and any functional limitation it causes. The Department Head and the County Administrator will notify the employee of the County’s decision on the request.

(C) The County will not discipline, terminate or retaliate against an employee because an employee has requested or used an accommodation for the employee’s pregnancy.

(D) The County will keep confidential files documenting accommodation requests and their disposition that are separate from other personnel records.

(E) The County will not deny employment opportunities based on the need to make reasonable accommodations to known limitations related to pregnancy, childbirth, or related medical conditions of an employee.
