

Plant a Tree for the Bicentennial

To celebrate the County's 200th birthday this year, we are encouraging residents to plant a tree. Our goal is to get 200 trees planted.

If you plant a tree, then you can get an official Bicentennial Tree Certificate.

All you need to do to is email Tom Klein at tom.klein@montgomerycounty.in.gov after you have planted the tree and we will send you a certificate.
