*John E. Frey, Member*

## MONTGOMERY COUNTY RESIDENTS' OPINIONS SOUGHT

### Three Public Open Houses Scheduled to Gather Input to Assist with County Comprehensive Plan

**Crawfordsville, IN – May 9, 2018** – Today, County Commissioners' President, Jim Fulwider announced that HWC Engineering, who is helping facilitate the County's first comprehensive plan, has scheduled a series of three open houses designed to gather input from residents of Montgomery County.

"This is an opportunity for residents to voice their opinions about our county's future," said Fulwider. "For example, what areas and characteristics do they want to preserve, what types of quality of life amenities are important, and what areas make sense for development?"

To make it as convenient as possible for residents to provide input, three open houses have been scheduled. Each of the three high schools in the county will host a session and each session will cover the same information. Every resident who lives or works in the county is encouraged to stop by and provide their thoughts. The success of any comprehensive plan requires public input, and this is an opportunity to provide ideas and feedback for shaping the results of the county's plan.

A comprehensive plan website has been created to keep residents informed throughout the planning process. Visit [www.montgomerycountycompplan.site](http://www.montgomerycountycompplan.site) to find the latest information about the plan and stay connected throughout the planning process.

Please mark your calendars for one of the open houses:

- Tuesday, May 15, 6:00 – 8:00 p.m. at Southmont High School located at 6425 U.S. 231 South, Crawfordsville
- Tuesday, May 22, 6:00 – 8:00 p.m. at Crawfordsville High School located at One Athenian Dr., Crawfordsville

- Thursday, May 31, 6:00 – 8:00 p.m. at North Montgomery High School located at 5945 N. U.S. 231, Crawfordsville
