RZ2024-1 Ag to Residential Subdivision

Monday, October 21, 2024 11:29 AM

**MONTGOMERY COUNTY PLAN COMMISSION
CASE REPORT**

Case Number: RZ2024-1

Date: 9-18-24

Petitioner- Dwight Alex Miller

Location – 4850 W block of Fall Creek Road

Type of Case: Re zone of agricultural zoned property to R-2 (Residential Subdivision)

Standard: Discretionary

Introduction

At the September 25, 2024 meeting you will conduct a public hearing to consider Re- zoning a 6-acre parcel owned by Miller for the purpose of residential development. Specifically, the petitioner requests an amendment to the zoning classification from Agriculture to R-2 for the purpose of a residential subdivision. The proposed development on the property is a subdivision for Single Family Dwellings.

The existing characteristics are row crop with natural grade from North to South. The property is accessed from Fall Creek Road which is a chip seal county-maintained road in fair condition. No thoroughfare plan notes to Fall Creek road. The proposed parcel of RZ 2024-1 is five miles west of Crawfordsville using State Road 32 to access Fall Creek Road approximately 1.3 mile on fall Creek Road to the South. Development in the area includes parcellation for Single Family Dwellings and agricultural row crop. Adjacent property to the north is an agricultural area owned by the petitioner. West and East areas are Single Family Dwelling homesteads. South of the 6 acres is an MFG Mobile Home park

The proposed 6-acre development would be served by on-site septic and well. R-2 residential subdivision is categorized in the zoning code a district designated for residential subdivisions which will not be served by municipal or regional sanitary services. Parcel number - 54-11-16-500-007.000-018

The Comprehensive Plan of Montgomery County does not specifically address this area for development. The general characteristics of the area coincide with the proposed use of the property in the re-zone request.

Fall Creek Road (Minor Collector) in the area of entry is a straight section of County Road 19 feet in width. No traffic counts taken or delineated for this section of Fall Creek Road.

Procedural Status of Case

Notice of the public hearing was published on September 15, 2024. Notice to adjoining landowners and landowners within 660 feet of property were sent prior to September 15, 2024.

Factors to be considered

1. The Comprehensive Plan.
2. Current conditions and the character of current structures and uses in area.
3. The most desirable use for which the land in each area is adapted.
4. The conservation of property values throughout the jurisdiction.
5. Is the proposed development responsible development?

Staff Recommendation

Staff recommends approval of Re zone requested.

If the re-zone is approved by the county Commissioners the petitioner will begin the Subdivision process with the Plan commission.

Making a Motion and Discussion

After hearing the statement of the case provided by the petitioner, the statement of the case by staff, any statements of the public and discussing the case, the Commission can send the proposed amendment to the zoning classification to the County Commissioners with a favorable, unfavorable or no recommendation. A member of the Commission should make a motion to send to the Commissioners a recommendation and can be accompanied with conditions. Each motion requires a second. After a motion is made and seconded, the Commission may discuss the motion. Form motions are below. A minimum of 5 voting members are required to vote in favor of motion in order to take official action. After the vote, members will certify its action with signatures.

Sample Motion to Approve

Based upon the staff report, the evidence presented by the petitioner, and statements made by the public, the Board makes the following findings:

1. The approval will not be injurious to the public health, safety, morals and general welfare of the community.
2. The use and value of the area adjacent to the property included in amendment will not be affected in a substantially adverse manner, because the improvement of the property as proposed will likely increase the value of property in the area adjacent to the subject property.
3. The proposed amendment is consistent with the Comprehensive plan

Therefore, I move to send a _____ recommendation to County Commissioners for consideration to Re-zone the subject property from Agricultural to R-2

Staff report for Commissioners Public Hearing:

The Montgomery County plan commission held a public hearing on RZ2024-1 at the September 25, 2024 meeting. The result of the hearing was an Unfavorable Recommendation to the Commissioners (see Findings and Certification).

Since the Plan Commission hearing the petitioner has submitted supporting documents which are also in the packet provided. The petitioner originally came to the PC with a 6 lot subdivision overall plan.

The petitioner has submitted a concept for three total lots. Two lots for single family dwellings and one remainder lot which the Nustar pipeline exists in the NW corner of the remainder lot.

The minutes of the Plan Commission Hearing are also provided in the packet.

Respectfully Submitted,

Marc Bonwell

The intention of this initiative is connection, not just a phone number or recommendation. The funds being requested would be used to fund a Community Impact Associate (Navigator) to oversee the development/expansion of the program, ongoing operations, and follow-up strategies with those served. Expanding peer recovery for uninsured/underinsured VOH patients

Valley Oaks Health is applying to receive funding to continue their current Opioid-Grant Project to provide peer recovery services under one roof to those who cannot otherwise afford such services. Additionally, they would like to expand on this project to include limited case management services, on an as-needed basis (i.e., not to exceed 5 hours per month per patient). The population would be those

lacking insurance which covers peer services/case management, having insurance with a high deductible or having no insurance. Enhancing Medication-Assisted Treatment Access

Currently, Integrative Wellness (InWell) is only able to offer buprenorphine injections through the Lebanon Location due to restrictions of the provider's DEA license. They started their clinic by offering Buprenorphine (Subutex), buprenorphine/naloxone (Suboxone, and Naltrexone tablets and injections (Revia & Vivitrol). In recent years, buprenorphine long-acting injections have become available. InWell has found that these long-acting injections are successful for individuals who struggle to take medications as prescribed, have risks of diverting medications, or are looking to taper of medications completely. InWell is requesting funds to cover the cost of adding the Crawfordsville Location to the current provider's DEA license to be able to offer further Medically Assisted Treatment. Adding the Crawfordsville Location to the license would ensure that Crawfordsville patients would not need to drive to Lebanon.

Amount Requested: \$18,000

Free Support Services – Regional Hub Supplement

Integrative Wellness (InWell) became a Regional Recovery Hub several years ago which allows them to offer free peer support. Specifically, this means individuals needing services with InWell do not have any barriers or delays in starting their peer recovery support services. Individuals can check in with their peer as often or as little as they would like without restriction. Unfortunately, the State has changed the structure of the Recovery Hub and will require, after December 2024, that agencies must be a Certified Recovery Community Organization. This change would restrict InWell from offering Hub services. InWell is requesting funds to be able to provide one session a week for a year for up to 15 clients so that the program is not disrupted. The requested funding would cover a peer's salary at \$25 an hour for up to 15 clients up to four times a month for one year.

Cummins Behavioral Health Systems, Inc.

Amount Requested: \$25,000

Amount Approved: \$20,000

Opioid/Substance Use Disorder Treatment Support

Cummins Behavioral Health Systems is applying for funds to help pay for services to those who have difficulty paying for treatment. It may be that they have no funding source to pay for treatment, or they may have private insurance that will not cover treatment or if they do then it has a very high deductible. This funding will allow them to give out vouchers and scholarships for treatment and they will value this up to \$1,000 per consumer. The review team has agreed to fund this project at \$20,000.

The coach will be paid \$17 per hour and ideally meet with 20 clients per week. They will continue this position after the twelve months and use funds from their Recovery Community Organization to pay for it. This is an ongoing project.

Most participants beginning Drug Court have just been released from incarceration, which usually results in having a lack of funds and other resources. The funds being requested would be used to purchase 2 bikes with additional accessories such as headlights, brake lights, and other safety equipment, to assist with lack of available transportation. The funding would also be used to purchase cellphones with a 30-day data plan so the participant can call probation to schedule drug tests, contact treatment places to engage in and look for employment. They are also requesting them to pay for housing assistance. Also, these funds will be available to help with treatment expenses. Another part of these funds will be used for drug screen costs. Their hope is to help take down barriers they need to sustain a life in recovery.

Montgomery County Family Recovery Court

Amount Requested: \$9,000

Amount Approved: \$9,000

Family Recovery Court Support

The Family Recovery Court support would allow a funding source to tackle some of the biggest barriers affecting our Family Recovery Court participants. This would include assistance with legal aid, transportation issues, housing instability, obtaining identification forms, employment and clothing barriers. Some examples of assistance would be obtaining boots and or necessary clothing for a specific job or assisting in fixing an issue with the family form of transportation. These funds would also allow the FRC to send at least two team members to the RISE24 conference. This conference will allow the participants to learn the most up to date evidence-based practices from around the nation.

2nd Reading Ordinance 2024-21 Amending Tax Rate for Cumulative Bridge Fund

Monday, October 21, 2024 1:46 PM

Montgomery County Board of Commissioners

Ordinance 2024 –21

An Ordinance Amending Tax Rate for Cumulative Bridge Fund

Whereas, on the 26th day of February, 2024, the Montgomery County Board of Commissioners adopted Ordinance 2024-5 which re-established the Cumulative Bridge Fund (“Cum Bridge Fund”), as provided for in Indiana Code §8-16-3, and imposed a tax levy on all real and personal property in Montgomery County, under Indiana Code §6-1.1-41, to provide money for the construction, repair, maintenance, and inspection of bridges in Montgomery County; and

Whereas, the Ordinance also established a tax rate for 2025 for the Cumulative Bridge Fund at \$0.075 per \$100 of assessed valuation, and the maximum property tax rate for the Fund per Indiana Code §8-16-3 is \$0.075 per \$100 of assessed valuation; and

Whereas, in order to relieve the General Fund and to provide greater flexibility to the County Council for 2025 budgets, the Commissioners agree to lower the tax rate for the Cumulative Bridge Fund for 2024 payable 2025, from \$0.075 per \$100 of assessed valuation to \$0.055 per \$100 of assessed valuation;

It is therefore ordained that the Montgomery County Board of Commissioners that Section 2 of Ordinance 2024-5 is hereby amended to read as follows:

“Section 2. Tax Rate. The County Board of Commissioners now levies a tax on all real and personal property in Montgomery County to provide funds to the Cumulative Bridge Fund. The property tax will not exceed \$0.055 on each \$100 of assessed valuation. This tax rate will be levied beginning with taxes for 2024, due and payable in 2025.”

It is further ordained that all other provisions of Ordinance 2024-5, except for Section 2 which is amended by this ordinance, shall remain in full force and effect.

It is further ordained that this ordinance will be effective upon adoption.

MONTGOMERY COUNTY BOARD OF COMMISSIONERS
RESOLUTION 2024-26

WHEREAS, the County Commissioners of Montgomery County (hereinafter referred to as the “Participating Employer”) has determined that in the interest of attracting and retaining qualified employees, it wishes to offer a defined contribution plan, funded by employer contributions;

WHEREAS, the Participating Employer has reviewed the State of Indiana Deferred Compensation Matching Plan (“Plan”);

WHEREAS, the Participating Employer wishes to participate in the Plan to provide certain benefits to its employees, reduce overall administrative costs, and afford attractive investment opportunities;

WHEREAS, the Participating Employer is an Employer as defined in the Plan;

WHEREAS, the County Commissioners (“Governing Body”) are authorized by law, IC 5-10-1.1-7.3, to adopt this resolution approving the Adoption Agreement on behalf of the Participating Employer;

Therefore, the Governing Body of the Participating Employer hereby resolves:

Section 1. The Participating Employer adopts the Plan and the Trust Agreement (“Trust”) for the Plan for its Employees.

Section 2. The Participating Employer acknowledges that the Deferred Compensation Committee (“Trustees”) are only responsible for the Plan and have no responsibility for other employee benefit plans maintained by the Participating Employer.

Section 3. The Participating Employer hereby adopts the terms of the Adoption Agreement, which is attached hereto and made a part of this resolution. The Adoption Agreement sets forth the Employees to be covered by the Plan, the benefits to be provided by the Participating Employer under the Plan, and any conditions imposed by the Participating Employer with respect to, but not inconsistent with, the Plan. The Participating Employer reserves the right to amend its elections under the Adoption Agreement, so long as the amendment is not inconsistent with the Plan or the Internal Revenue Code or other applicable law and is approved by the Trustees of the Plan.

Section 4. The Participating Employer hereby authorizes the State Comptroller of Indiana (“Administrator”), in conjunction with the Deferred Compensation Committee (“Trustees”), to amend the Plan on its behalf as provided under Section 18.01 of the Plan.

The Trustees and the Administrator will maintain or have maintained on their behalf a record of the Participating Employers, and the Trustees and the Administrator will make reasonable and diligent efforts to ensure that Participating Employers have actually received and are aware of all Plan amendments.

Section 5.

(a) The Participating Employer shall abide by the terms of the Plan and the Trust, including amendments to the Plan and the Trust made by the Trustees of the Plan, all investment, administrative, and other service agreements of the Plan and the Trust, and all applicable provisions of the Internal Revenue Code and other applicable law.

(b) The Participating Employer accepts the administrative services to be provided by the Administrator of the Plan and any services provided by a Service Manager (as defined in the Plan) as delegated by the Administrator or Trustees. The Participating Employer acknowledges that fees will be imposed with respect to the services provided and that such fees will be charged to the Participants' Accounts, and not to the Participating Employer.

Section 6.

(a) The Participating Employer may terminate its participation in the Plan, including but not limited to, its contribution requirements, if it takes the following actions:

(i) A resolution must be adopted terminating its participation in the Plan.

(ii) The resolution must specify when the participation will end.

The Trustees shall determine whether the resolution complies with the Plan, and all applicable federal and state laws, shall determine an appropriate effective date, and shall provide appropriate forms to terminate ongoing participation. However, distributions under the Plan of existing accounts to Participants will be made in accordance with the Plan.

(b) The Participating Employer acknowledges that the Plan contains provisions for involuntary Plan termination.

Section 7. The Participating Employer acknowledges that all assets held in connection with the Plan, including all contributions to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, property or rights shall be held in trust for the exclusive benefit of Participants and their Beneficiaries under the Plan. No part of the assets and income of the Plan shall be used for, or diverted to, purposes other than for the exclusive benefit of Participants and their Beneficiaries and for defraying reasonable expenses of the Plan. All amounts of compensation deferred pursuant to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, property or rights held as part of the Plan, shall be transferred to the Trustees to be held, managed, invested and distributed as part of the Trust Fund in accordance with the provisions of the Plan. All contributions to the Plan must be transferred by the Participating Employer to the Trust Fund. All benefits under the Plan shall be distributed solely from the Trust Fund pursuant to the Plan. Only the assets attributable to a particular Participating Employer and its Employees are available to pay benefits to those Employees and their Beneficiaries.

Section 8. This resolution and the Adoption Agreement shall be submitted to the Trustees for their approval. The Trustees shall determine whether the resolution complies with the Plan, and, if it does, shall provide appropriate forms to the Participating Employer to

implement participation in the Plan. The Trustees may refuse to approve an Adoption Agreement by an Employer that does not have state statutory authority to participate in the Plan. The Trustees may also refuse to approve an Adoption Agreement that is ambiguous or that does not comply with the requirements of the Plan. The Governing Body hereby acknowledges that it is responsible to assure that this resolution and the Adoption Agreement are adopted and executed in accordance with the requirements of applicable law.

Section 9. This Adoption Agreement may be used only in conjunction with the Plan. Failure to properly complete this Adoption Agreement may result in the failure of the Plan to qualify.
